Tourist accommodation

Tourist accommodation

Properties intended for tourist rentals will be subject to specific regulations from the regional governments or municipalities. Landlords must request the necessary marketing permits from the regional governments or municipalities, which are the competent bodies for regulating and supervising this market.

How to obtain your registration number for your holiday rental property?

Prepare the documentation

To request the registration number, the landlord will prepare the following documentation: you will only need to prepare the following

4.- Complies with the requirements established in the Autonomous Community where the property is located.

As this is a holiday rental property, the landlord will complete the necessary paperwork required by the regional governments to legally offer the property for holiday rentals. For more information, please see the [map](#).

Check if you need to complete any additional procedures according to the regulations of your City Council or Local Authority.

Request your Registration Number from the College of Registrars

The procedure for requesting a registration number is available through the registrars' online portal. Identify yourself with your electronic certificate and complete the application with the information you have already prepared.

The registrar's office will issue a temporary registration number immediately. After verifying the submitted documentation, and if everything is in order, the registrar's office will change the registration number to permanent.
